

Clearing Browsing History on iPad

If you are having trouble with functionality or speed with your Advantage Acre account, try clearing the Browsing Data, Cookies, and Cache in Google Chrome.

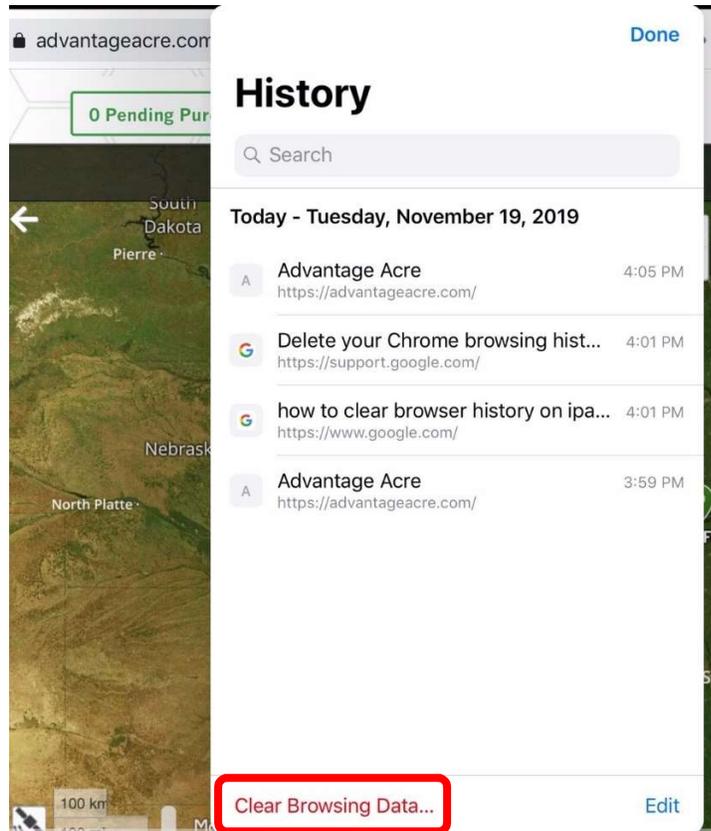

1. Tap on the “three horizontal dots” icon in the upper right-hand corner of your screen.

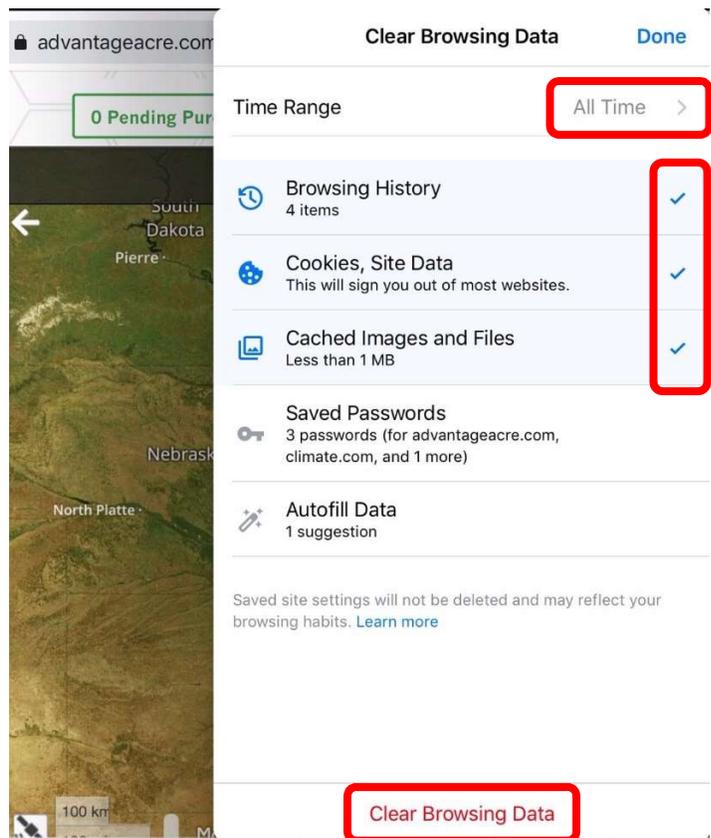

2. Tap on “History.”

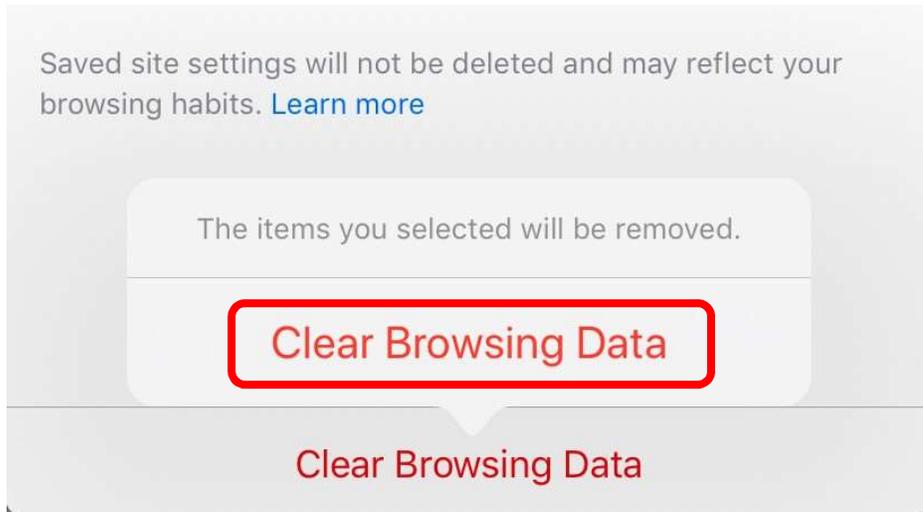

3. Tap on **“Clear Browsing Data.”**

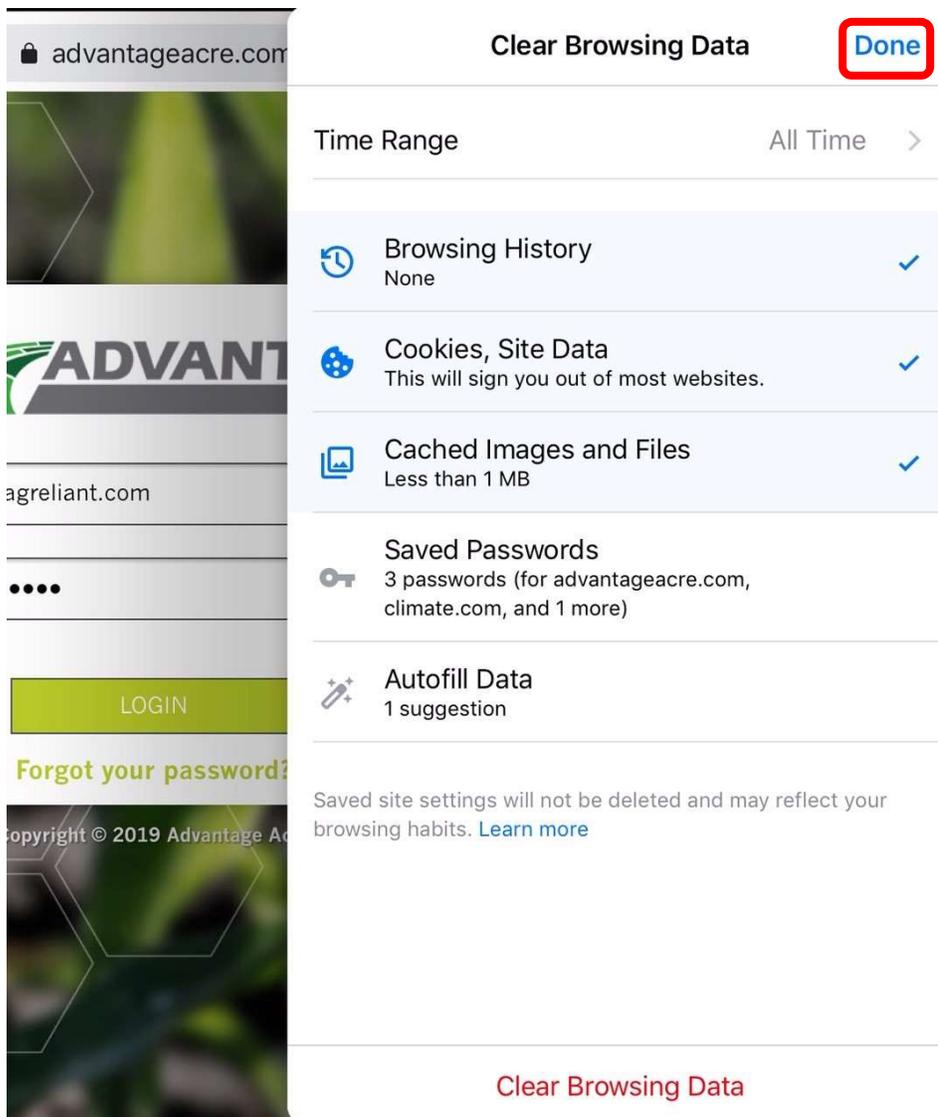

4. Set Time Range to **“All Time,”** and Check **“Browsing History, Cookies/Site Data, and Cached Images and Files.”** Then Tap on **“Clear Browsing Data.”**

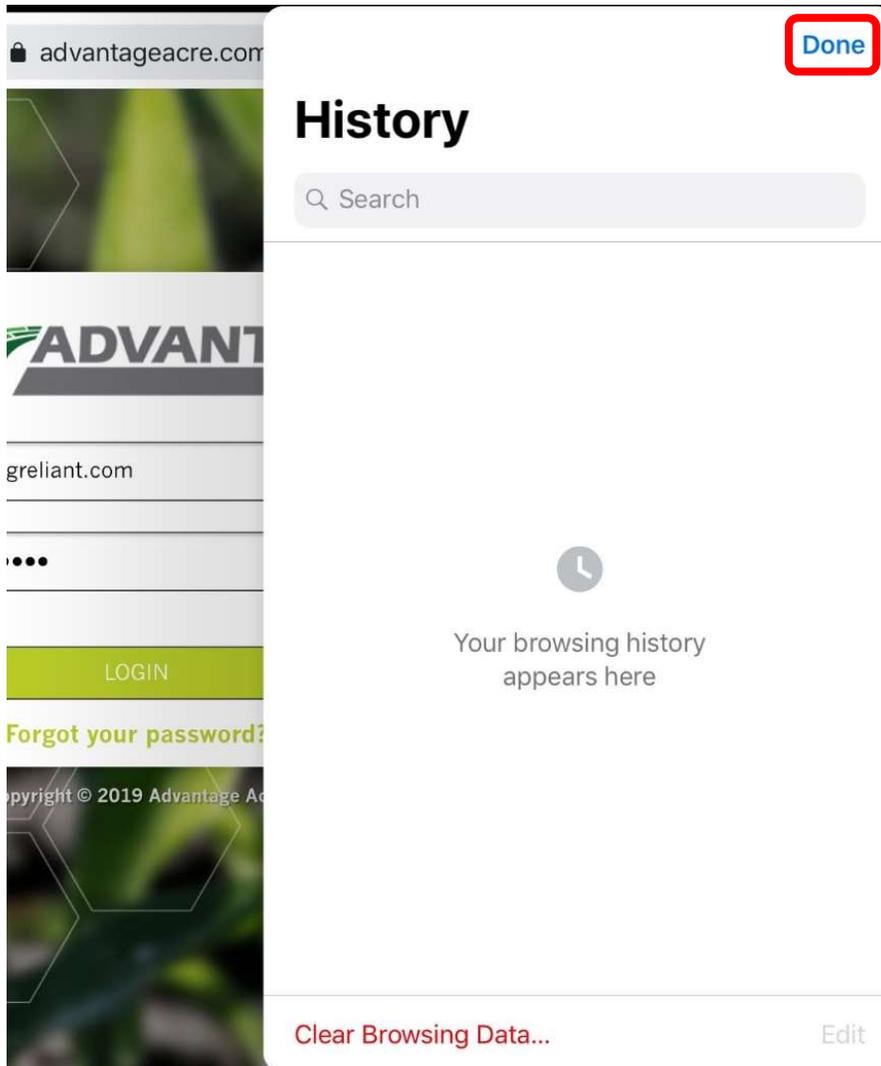

5. Tap on **“Clear Browsing Data”** confirmation.

6. Tap on **“Done.”**

7. After History is removed, Tap on “Done”

8. You will need to Log back into your Advantage Acre through Google Chrome.
